—The soviet government of Russia has announced its willingness to comply with the demand of Secretary Hughes for the immediate release of certain American prisoners held in Russia, and to permit all other Americans who have been detained in different portions of Russian territory to depart at will. This action on the part of the soviet government has followed a declaration by Secretary Hoover to the effect that the American Relief association would not undertake to aid the millions of famine stricken women and children throughout Russia until all American prisoners were released. It is now practically assured that a tremendous campaign of relief will be inaugurated throughout Russia, and also there will soon be a restoration of trade relations as well as diplomatic relations.

YES, WE THINK
QUITE WARM
ENOUGH--

But it could be somewhat warmer—but we don't want it to be that way—but what we want to call to your attention was not the weather so much as Keep Kool, Palm Beach and Mohair Clothes for men—wear one of these light-weight suits and you will find yourself much more comfortable—and you will find our prices just about right—much below a year ago. Then—too, you'll need some underwear—union suits—knee lengths with short sleeves or no sleeves, as you prefer—they make for comfort. Yes, we have separate garment underwear, too, if you want it. Then too, we can supply you with correct hosiery, shirts, neckwear, collars, belts, hose supporters—try the E-Z, best ever—and anything else in the wearable line you need.

ARE YOU GOING

Away this summer—to the country, the seashore or the mountains? Then you'll most likely find need for a Trunk, a Suitcase or Handbag. See what we have. All sizes of all three in good qualities and rightly priced. Sure, we will be delighted to show 'em to you—just ask us. Yes, we have Tennis or Outing Shoes for men, women and children.
